**The Girl on the Beach** Larry Darter,2021-11-09 Some secrets are too dark to stay buried. Pressed into helping his love-struck best friend track down a mysterious, beautiful girl that the friend shared a brief romantic beach encounter with, a lazy Honolulu private investigator finds himself chasing a ghost when he gets sucked into the vortex of a forty-year-old unsolved double homicide mystery. When the killer, one of Honolulu's wealthiest and most powerful men, targets him for elimination, the slothful sleuth must find out where all the bodies are buried and fast before it's game over for both him and the girl on the beach. Rick Bishop, a former cop and lazy Honolulu private investigator who specializes in divorce investigations, reluctantly agrees to help his love-struck best friend, Joe Rose, track down a mysterious girl named Elle Palmer. Rose met the woman briefly on a moonlight stroll on a Waikiki beach. After the fleeting romantic encounter, Palmer vanished the same evening without a trace. Rose believes he is in love with the woman and that she is in grave danger. Bishop begins his investigation apathetically, but when he meets the wealthy and powerful Hawaii pineapple magnate Derek Ballard, Rick grows more interested in the case. When he spots a photo of the woman Rose wants him to find in Ballard's office, Ballard explains the woman in the photo is his former fiancé, Elle Palmer, who committed suicide nearly forty years ago. As he continues to dig, Bishop discovers the girl on the beach was actually Kate Weaver, the niece of the long-deceased Elle Palmer. Rick also learns Weaver bears an uncanny resemblance to her dead aunt and appears in various places around Honolulu, claiming to be Elle Palmer while wearing the same ivory-colored formal dress her aunt was wearing the night friends and relatives last saw her alive at a party in 1982. The plot thickens once Rick uncovers the motivation behind Kate's bizarre impersonations of her dead aunt's ghost. Weaver believes her aunt didn't commit suicide but that Derek Ballard

murdered her in a jealous rage. Kate has traveled to Honolulu from California to expose Ballard as her aunt's killer. She pretends to appear as Elle Palmer's ghost as a ruse aimed at garnering enough publicity to encourage the Honolulu authorities to reopen the decades-old investigation into her aunt's death. Bishop decides to help Weaver get justice for her aunt after realizing she truly is in grave danger. Unfortunately, Derek Ballard intends to keep his dark secrets buried by shutting her up by any means necessary. Rick also becomes a target when Ballard tires of his interference and hires a Chinatown thug to eliminate him in a staged auto accident. Bishop and Weaver must find out where all the bodies are buried and fast before Ballard buries them.

The Financial Crisis Inquiry Report Financial Crisis Inquiry Commission,2011-05-01 The Financial Crisis Inquiry Report, published by the U.S. Government and the Financial Crisis Inquiry Commission in early 2011, is the official government report on the United States financial collapse and the review of major financial institutions that bankrupted and failed, or would have without help from the government. The commission and the report were implemented after Congress passed an act in 2009 to review and prevent fraudulent activity. The report details, among other things, the periods before, during, and

after the crisis, what led up to it, and analyses of subprime mortgage lending, credit expansion and banking policies, the collapse of companies like Fannie Mae and Freddie Mac, and the federal bailouts of Lehman and AIG. It also discusses the aftermath of the fallout and our current state. This report should be of interest to anyone concerned about the financial situation in the U.S. and around the world. THE FINANCIAL CRISIS INQUIRY COMMISSION is an independent, bi-partisan, government-appointed panel of 10 people that was created to examine the causes, domestic and global, of the current financial and economic crisis in the United States. It was established as part of the Fraud Enforcement and Recovery Act of 2009. The commission consisted of private citizens with expertise in economics and finance, banking, housing, market regulation, and consumer protection. They examined and reported on the collapse of major financial institutions that failed or would have failed if not for exceptional assistance from the government. **Relax and Enjoy Your Food: Save Your Money, Your Health, and Your Sanity by Separating Fact from Flapdoodle.** Craig Good, 2020-08-22 A lot of people worry about eating the wrong food. Well-funded campaigns have spent years convincing you that some foods are good, some are bad, and some are downright evil. It doesn't have to be that way. Relax and Enjoy Your Food uses science and a little common sense to take away all that anxiety, and save you some money to boot. Once you let go of some ideas, it all gets simpler. There are no superfoods, no junk foods, and there aren't even any health foods. There is just food, all of which provides some combination of the same seven basic things that all food does. That's why the most specific advice you can get is to eat a variety of foods, mostly plants, not too much or too little. That's it. The diet and wellness industries, along with the supplement industry, have deep pockets and ill intent. Their primary victims are women, but everybody gets caught up in their web. After reading this book you'll be able to leave all that behind, eat a healthy diet, even reach and maintain a healthy weight. In short, you'll be able to relax and enjoy your food.
