Softwar Matthew Symonds,2013-04-30 This biography of the outspoken tech billionaire and founder of Oracle offers “a rare window on Ellison’s mind” (The New York Times). In a business where great risks, huge fortunes, and even bigger egos are common, Larry Ellison stood out as one of the most daring and driven leaders of the software industry. Oracle—the company he cofounded and ran—made pioneering advances, dominated the market, and turned Ellison into a Silicon Valley icon whose exploits are the stuff of legend. In Softwar, journalist Matthew Symonds gives readers exclusive and intimate insight into both Oracle and the man who made it. As well as relating the story of Oracle’s often bumpy path to success, Symonds deals with the private side of Ellison’s life. With unlimited insider access granted by Ellison himself, Symonds captures the intensity and, some would say, the recklessness that have made Ellison such a controversial figure. With a new and expanded epilogue that tells the story behind Oracle’s epic struggle to win control of PeopleSoft, Softwar is the most complete portrait undertaken of the man and his empire—a unique and gripping account of both an extraordinary life and the way the computing industry really works.

*100 Days of Sunlight* Abbie Emmons, 2019-08-07 When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her. But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's obnoxious optimism, convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. *100 Days of Sunlight* is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.

**Building a StoryBrand** Donald Miller,2017-10-10 More than half-a-million business leaders have discovered the power of the StoryBrand Framework, created by New York Times best-selling author and marketing expert Donald Miller. And they are making millions. If you use the wrong words to talk about your product, nobody will buy it. Marketers and business owners struggle to effectively connect with their customers, costing them and their companies millions in lost revenue. In a world filled with constant, on-demand distractions, it has become near-impossible for business owners to effectively cut through the noise to reach their customers, something Donald Miller knows first-hand. In this book, he shares the proven system he has created to help you engage and truly influence customers. The StoryBrand process is a proven solution to the struggle business leaders face when talking about their companies. Without a clear, distinct message, customers will not understand what you can do for them and are unwilling to engage, causing you to lose potential sales, opportunities for customer engagement, and much more. In *Building a StoryBrand*, Donald Miller teaches marketers and business owners to use the seven universal elements of powerful stories to dramatically improve how they connect with customers and grow their businesses. His proven process has helped thousands of companies engage with their existing customers, giving them the ultimate competitive advantage. *Building a StoryBrand* does this by teaching you: The seven universal story points all humans respond to; The real reason customers make purchases; How to simplify a brand message so people understand it; and How to create the most effective messaging for websites, brochures, and social media. Whether you are the marketing director of a multibillion-dollar company, the owner of a small business, a politician running for office, or the lead singer of a rock band, *Building a StoryBrand* will forever transform the way you talk about who you are, what you do, and the unique value you bring to your customers.

*Mafia Hairdresser* jon-david,2018-06-21 Southern California in the 1980s was the apex of the universe for the pauper-impaired. Jessy, a young hairdresser in Los Angeles, dressed for success and wanted to get rich quick and got more than he set out for by moonlighting for a man who made his passion for big cars supply his big habits. Big-Don is LA's campy commercial king for his chain of auto-repair shops, which are, in-reality, the front for his actual business of supplying drugs to the Hollywood elite. Big-Don's wife also has a passion but hers is for young hairdressers who must supply more than her appetite for fashion: and she gets Jessy hooked on more than a new lifestyle Jessy's relationships at his day-job at the upscale salon Beautious Maximous become strained as his employers and co-workers try their best to keep the boy grounded; a near impossible task when the salon manager is Tinsel Town's queen of gossip and his friends are more concerned with getting

laid while dealing with the oncoming age of compulsory condom-sex due to a new un-named plague. This Mafia Hairdresser is gifted cars, clothing, all-you-can-snort cocaine, Hawaiian vacations and VIP invites to music & movie industry parties until he's asked to baby-sit the out-of-control mob couple by their mysterious associate, Smokey Topaz. *The Bullet Journal Method* Ryder Carroll, 2021-12 THE NEW YORK TIMES BESTSELLER Transform your life using the Bullet Journal Method, the revolutionary organisational system and worldwide phenomenon. The Bullet Journal Method will undoubtedly transform your life, in more ways than you can imagine' Hal Elrod, author of *The Miracle Morning* In his long-awaited first book, Ryder Carroll, the creator of the enormously popular Bullet Journal organisational system, explains how to use his method to: \* TRACK YOUR PAST: using nothing more than a pen and paper, create a clear, comprehensive, and organised record of your thoughts and goals. \* ORDER YOUR PRESENT: find daily calm by prioritising and minimising your workload and tackling your to-do list in a more mindful and productive way. \* PLAN YOUR FUTURE: establish and appraise your short-term and long-term goals, plan more complex projects simply and effectively, and live your life with meaning and purpose. Like many of us, Ryder Carroll tried everything to get organised - countless apps, systems, planners, you name it. Nothing really worked. Then he invented his own simple system that required only pen and paper, which he found both effective and calming. He shared his method with a few friends, and before long he had a worldwide viral movement. The system combines elements of a wishlist, a to-do list, and a diary. It helps you identify what matters and set goals accordingly. By breaking long-term goals into small actionable steps, users map out an approachable path towards continual improvement, allowing them to stay focused despite the crush of incoming demands. But this is much more than a time management book. It's also a manifesto for what Ryder calls intentional living: making sure that your beliefs and actions align. Even if you already use a Bullet Journal, this book gives you new exercises to become more calm and focused, new

insights on how to prioritise well, and a new awareness of the power of analogue tools in a digital world. \*\*\* This book has been printed with three different colour designs, black, Nordic blue and emerald. We are unable to accept requests for a specific cover. The different covers will be assigned to orders at random. \*\*\*
