Darque Desires Raymond Bylthe,2014-06-05 Dominic Darque is content with his life. He is a business owner and entrepreneur. Successful both professionally and personally, he is a dominant personality in all normal and several non-normal respects. Unfortunately, he is currently alone, and that is not something he tolerates. Therefore, he has been seeking someone new in his life, a sexually submissive, intelligent, and attractive woman. So far, that has been a fruitless search due to his standards and desires, but that is about to change when an angel in a black knit dress falls into his life She is younger by a large margin, beautiful in a heartrendingly fresh way, smart and educated; and he soon learns, sexually submissive and responsive to him on a level he has rarely seen in all his years. He introduces her to his world and ways. To his delight, she grabs it as an infant grasps its first rattle. The relationship takes off like a rocket and the first two days are a nonstop exploration of their budding D/s relationship. The relationship blossoms from a passion-fueled sexual romp into a full-blown total power exchange of Domination/submission with her becoming his sexual slave in every conceivable way as she is 'taken in hand' and learns the rules of his world. However, this is not anything she has ever really experienced before and like the icebergs in the ocean, 90% of its substance remains concealed beneath the waves. As things are unveiled, she becomes more

enamored of this lifestyle that is not a lifestyle, but a life, according to Dominic; she wants more and more of it. However, there is an issue, she has a lover currently, and not one she is willing to abandon, even for Dominic. Luckily, for all involved, her girlfriend is also interested and attracted to this lifestyle. Soon a crossroads is reached, and decisions must be made; decisions that will change the life of all three of them going forward. As the series unfolds, it will take them from desire to temptations and eventually into craving of taboos rarely spoken of and even more rarely understood and embraced by modern society.

Buy Buttons Nick Loper, 2016-09-17 Whether you want to make an extra \$100 a month or an extra \$10,000, the high-level process is the same: Someone has to buy what you're selling. The money has to come from somewhere, right? (Hint: it comes from customers.) Sadly, there's an epidemic going around. The reason most entrepreneurs, wantpreneurs, and side hustlers fail is a lack of customers. If you've ever failed in your own efforts to start a business or earn money on the side, I'm guessing that was the root cause. On top of that, you're in a constant battle of not having enough hours in the day and you don't know where to focus your limited time, energy, and money. That's the bad news. The Answer The good news is you have more opportunity today to earn income in your spare time than ever before. And you don't need a killer new business idea or millions of dollars in startup capital to do it. The good news is there isn't a shortage of customers. They're out there! This book will share specifics on how to increase your earning power-on your own time, on your own terms, and without getting another job. We'll look at real-life examples of people just like you making it happen. I'm going to arm you with dozens of income-generating ideas that don't require a ton of time or money to get started. And spoiler alert: there are no get-rich-quick schemes inside. Instead, you'll learn proven strategies for tapping into the growing peer-to-peer economy to supplement your income, diversify your revenue sources, and reduce your reliance on your day job for your livelihood. Go Where the Cash Is Already Flowing *Buy Buttons* focuses on marketplaces that already exist, where you can put your expertise, time, and assets up for sale or rent. There are hundreds of platforms that you can add your buy buttons to. You don't have to build a customer base from scratch, design a website, or even worry about payment processing. Each platform already has an eager audience of buyers looking for what you have to sell. Not sure what to sell? In the 300+ platforms featured inside, you're bound to find an idea or two that's a fit. These platforms are the gateway drugs of entrepreneurship. They're easy to get started on, to get the high from your first sale, and to keep coming back for more. Does It Really Work? I've used the same buy buttons marketplace strategy over and over again for the last 15 years as an entrepreneur. Even more exciting, thousands of SideHustleNation.com readers and Side Hustle Show listeners just like you are already seeing results by implementing the strategies in this book. The common thread is they set up their businesses on pre-existing platforms that made it easy for buyers to find them and spend money with them. This book will show you exactly where and how to set up your buy buttons to generate hundreds or thousands of dollars a month in side income. My Guarantee I guarantee you'll find at least one buy button platform that you can use to generate your own job-free income stream. If you don't, just send me a note (my contact info is at the end of the book), and I'll buy the book back from you, no questions asked. Now, where else are you going to find a deal like that? Ready? Hit the Buy Now button and let's get started!
