Trinity Lauren Patzer,Hiromi Cota,Amber Rainey,2020-10-14 This is the October edition of the Trinity Anthology. AUTHOR. STORY. READER. THE HOLY TRINITY. Originally conceived as an exploration of gender, Blue Forge Press gathered three male authors, three female authors, and three authors who identify as nonbinary, and gave them a monthly writing prompt. But as the stories arrived over the course of a year, truths emerged and a new, more authentic trinity was discovered. These nine authors are radically different in terms of style, personal ideologies, socio-economic status, political views, race, sexuality, religion-the list continues. Rarely have more diverse authors come together to create a single body of work so inclusive and enlightening. Whether brand new and just beginning their writing careers or established veterans in the industry, each author was given the same deadline and the same prompt-what they each did with those guidelines was entirely up to them. Blue Forge Press found that gender was far more fluid than expected-even for our most conservative authors. And that the true creative trinity was not to be found inside us or our bodies, but in the creative process itself. Even given the same prompt, sometimes the authors would explore similar ideas only to arrive at divergent revelations. The most valuable gift we could give would be to present these stories to you-the reader-as raw and unaltered as possible. Not polished and made perfect by our editors. Not made easy to embrace but left untamed and worth wrangling. We began with authors.

Every month they crafted new stories. And now you will complete the trinity. Published by Blue Forge Press.

The Leader in Me Stephen R. Covey, 2012-12-11 Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? *The Leader in Me* is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught *The 7 Habits of Highly Effective People* to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message

onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

Buyology Martin Lindstrom, 2010-02-02 NEW YORK TIMES BESTSELLER • “A fascinating look at how consumers perceive logos, ads, commercials, brands, and products.”—Time How much do we know about why we buy? What truly influences our decisions in today’s message-cluttered world? In *Buyology*, Martin Lindstrom presents the astonishing findings from his groundbreaking three-year, seven-million-dollar neuromarketing study—a cutting-edge experiment that peered inside the brains of 2,000 volunteers from all around the world as they encountered various ads, logos, commercials, brands, and products. His startling results shatter much of what we have long believed about what captures our interest—and drives us to buy. Among the questions he explores: • Does sex actually sell? • Does subliminal advertising still surround us? • Can “cool” brands trigger our mating instincts? • Can our other senses—smell, touch, and sound—be aroused when we see a product? *Buyology* is a fascinating and shocking journey into the mind of today's consumer that will captivate anyone who's been seduced—or turned off—by marketers' relentless attempts to win our loyalty, our money, and our minds.

Just Call Me Coach Forrest Pruner, 2021-04-30 Never say can't. This simple phrase defines the life of Coach Forrest Pruner. Because he lived out this philosophy every day, it became a watchword for the thousands of young men and women he coached over the course of more than half a century. The dream that germinated in a machine gun bunker on the Korean Peninsula was nurtured through sacrifice and hard work in the halls of Ashland College, and came fully to life on the basketball courts, tracks, and cross country courses of rural Ohio. These pages tell the story of a man of influence, whose belief in the young people he coached never wavered. These pages tell the story of a man of strong personal faith and great influence whose belief in those he coached never wavered. Sometimes, says Pruner, you have to believe in a kid before they believe in themselves .
