Children's wear fashion illustration resource book Irina V Ivanova,2015-11-12 Illustrate your children's wear project with ease, style, and accuracy! This book shows how to draw children's wear without having to learn figure drawing. The book includes all you need to get your project done. Use figure templates and sketching examples from the book to complete your project. Let's get started: - select a template from a variety of age groups and movements - place a paper over it and - sketch your children's wear idea. It is the most efficient way to have your project done! The book shows how to sketch on a figure and how to turn a sketch into a completed illustration. Choose a figure for your project from the selection of age groups and body movements. There are sets of ready-to-use figures for 0- 1, 1-3, 4-6, and 7-10 years old children. The templates in the book are designed to show apparel from any side with various poses and movements. The book combines visuals of garment details with basic terminology as written captions. Such a visual dictionary component enhances the book's usefulness as a designer's reference resource. All drawings in the book were illustrated with a simple pencil. Sketch illustrations show original roughness and spontaneity. This sketchbook style is instructive and visual. In every illustration, you can see traces of the creative process. Some step by step process tutorials are included reinforcing the instructional value of the book. Fashion sketching with the book is less stressful and creates a smooth designer's workflow. Drawing children's fashion illustrations becomes fun and accurate when using the Children's Wear Fashion Illustration resource book by Irina V. Ivanova

How to Draw Women's Wear Irina V Ivanova,2019-12-09 How to Draw Women's Wear is a hands-on, actionable guide to fashion drawing for busy fashion professionals who want to develop a highly productive drawing process; for fashion students who are in the process of developing their drawing style; and for clothing designers who want to make illustrations properly interpreted by all team members. The book focuses on drawing by hand (pencil and black marker), demonstrating methods and techniques of illustrating clothing and structural elements of design. Created for visual learners; the book contains virtually no text, only captions. The book includes a collection of fashion drawing templates for main women's wear figure types allowing you to focus on apparel drawing to illustrate clothing the way it is actually designed. Avoid mistakes in clothing design illustration; the book includes a special section with dos and don'ts of garment drawing. The book combines features of a reference book, a visual guide, tutorial, and template book. Figure templates, garment templates, terminological references, step-by-step drawing demos, sketching examples illustrating a progression of an idea from a sketch to completed illustration: all are parts of the same book. Irina V. Ivanova is a fashion designer by trade, a classically trained visual artist, and an experienced educator. How to Draw Women's Wear is the latest book in the Fashion Croquis book series.
