Children's wear fashion illustration resource book Irina V Ivanova,2015-11-12 Illustrate your children's wear project with ease, style, and accuracy! This book shows how to draw children's wear without having to learn figure drawing. The book includes all you need to get your project done. Use figure templates and sketching examples from the book to complete your project. Let's get started: - select a template from a variety of age groups and movements - place a paper over it and - sketch your children's wear idea. It is the most efficient way to have your project done! The book shows how to sketch on a figure and how to turn a sketch into a completed illustration. Choose a figure for your project from the selection of age groups and body movements. There are sets of ready-to-use figures for 0- 1, 1-3, 4-6, and 7-10 years old children. The templates in the book are designed to show apparel from any side with various poses and movements. The book combines visuals of garment details with basic terminology as written captions. Such a visual dictionary component enhances the book's usefulness as a designer's reference resource. All drawings in the book were illustrated with a simple pencil. Sketch illustrations show original roughness and spontaneity. This sketchbook style is instructive and visual. In every illustration, you can see traces of the creative process. Some step by step process tutorials are included reinforcing the instructional value of the book. Fashion sketching with the book is less stressful and creates a smooth designer's workflow. Drawing children's fashion illustrations becomes fun and accurate when using the Children's Wear Fashion Illustration resource book by Irina V. Ivanova

In her free time, when not creating fashion drawing books for clothing designers, as a relaxation and a creative outlet, Irina creates coloring books and journals as a reflection on her love of cooking, cats, and kids.

Figure Templates For Fashion Illustration Patrick John Ireland,2002-05-15 'Figure Templates for Fashion Illustration' is a useful tool, not only for fashion students but also students without an art background on multi-disciplinary courses, as

well as those who simply want to improve their basic drawing skills. If you are full of ideas for fashion design but not confident when it comes to drawing figures it can be difficult to present your concepts on paper. This book provides the answer with templates of figures in movement, figures from all angles, full and three-quarter length poses, back views and front-on poses. The figures can be used as they are or as a guide to develop your own poses. Information on anatomy, figure proportions, fashion-figure proportions and suitable art material is also included.
