Fair Play Eve Rodsky,2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

Kara's Party Ideas Kara Allen,2023-02-02 Plan the perfect party! Popular blogger and style maven Kara Allen offers you all the inspiration you need to turn your special moments into unforgettable memories. In this full-color guide you'll find a wide variety of party themes to choose from, plus tips and tricks that will wow your family and friends for truly spectacular soirees, no matter what the occasion!

Ask a Manager Alison Green,2018-05-01 'I'm a HUGE fan of Alison Green's Ask a Manager column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd

had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of *The Life-Changing Magic of Not Giving a F*ck* A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, *Ask a Manager* will help you successfully navigate the stormy seas of office life.

[The Language of the Game](#) Laurent Dubois, 2018-03-27 Essential reading for soccer fans amid the Women's World Cup in 2019, a lively and lyrical guide to appreciating the drama of soccer Soccer is not only the world's most popular sport; it's also one of the most widely shared forms of global culture. *The Language of the Game* is a passionate and engaging introduction to soccer's history, tactics, and human drama. Profiling soccer's full cast of characters -- goalies and position players, referees and managers, commentators and fans -- historian and soccer scholar Laurent Dubois describes how the game's low scores, relentless motion, and spectacular individual performances combine to turn each match into a unique and unpredictable story. He also shows how soccer's global reach makes it an unparalleled theater for nationalism, international conflict, and human interconnectedness, with close attention to both men's and women's soccer. Filled with perceptive insights and stories both legendary and little known, *The Language of the Game* is a rewarding read for anyone seeking to understand soccer better -- newcomers and passionate followers alike.

The Mom Test Rob Fitzpatrick, 2013-10-09 *The Mom Test* is a quick, practical guide that will save you time, money, and heartbreak. They say you shouldn't ask your mom whether your business is a good idea, because she loves you and will lie to you. This is technically true, but it misses the point. You shouldn't ask anyone if your business is a good idea. It's a bad question and everyone will lie to you at least a little . As a matter of fact, it's not their responsibility to tell you the truth. It's your responsibility to find it and it's worth doing right . Talking to customers is one of the foundational skills of both Customer Development and Lean Startup. We all know we're supposed to do it, but nobody seems willing to admit that it's easy to screw up and hard to do right. This book is going to show you how customer conversations go wrong and how you can do better.

Spectickles Bill Abbott, 2014 You recognize Spectickles from their huge glasses, but you remember them for their wet-your-pants, tears-rolling-down-your-face, hyperventilating humor. In newspapers, calendars (Mead, American Greetings), greeting cards (Hallmark) and dozens of other licensed products around the world.
