Laying the Foundations Andrew Couldwell, 2019-10-16 Laying the Foundations is a comprehensive guide to creating, documenting, and maintaining design systems, and how to design websites and products systematically. It's an ideal book for web designers and product designers (of all levels) and especially design teams. Paperback ISBN: 9780578540030 This is

real talk about creating design systems and digital brand guidelines. No jargon, no glossing over the hard realities, and no company hat. Just good advice, experience, and practical tips. System design is not a scary thing — this book aims to dispel that myth. It covers what design systems are, why they are important, and how to get stakeholder buy-in to create one. It introduces you to a simple model, and two very different approaches to creating a design system. What's unique about this book is its focus on the importance of brand in design systems, web design, product design, and when creating documentation. It's a comprehensive guide that's simple to follow and easy on the eye.

Airbnb Beginner's Guide To Hosting Lauren Coats,2021-04-21 *Updated Second Edition, Released April 2021* You want to be a host on Airbnb but you're not sure where to start, what to buy, or what to do. You want to be your own boss, provide a great experience for travelers, and start bringing in the cash. This is a quick read and basic How-To guide for setting up and running your own Airbnb business efficiently from the beginning. Learn about the hosting lifestyle, the responsibilities, and the best practices to avoid trial and error costly mistakes. You'll be guided on how to strategically set up, furnish, and decorate an empty or partially furnished space to have a competitive edge on a budget, how to create a powerful listing that guarantees positive reviews, how to hire, train and manage your cleaning team, and how to fulfill your hosting duties with maximum efficiency and minimal effort by creating a self-sustaining system. You'll understand why you should create a free Hostfully Electronic Guidebook for hands-off hosting, and how to set your pricing at the beginning and raise it gradually as you have higher quality reviews. If you are a hosting newbie, this is a great foundation to help you launch the business quickly and start accumulating those 5-star reviews, mandatory for your success. The book includes templates for the Airbnb House Manual, Local Guide, Cleaning Checklist, as well as detailed Supply Lists. This Second Edition is proofread and updated, as there was great demand for the grammatical errors to be remedied.

Ditch That Textbook Matt Miller, 2015-04-13 Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting by the textbook implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. *Ditch That Textbook* is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.
