The Elf on the Shelf Carol V. Aebersold, Chanda A. Bell, 2012-02-01 The Elf on the Shelf: A Christmas Tradition is an activity the entire family will enjoy. Based on the tradition Carol Aebersold began with her family in the 1970s, this cleverly rhymed children's book explains that Santa knows who is naughty and/or nice because he sends a scout elf to every home. During the holiday season, the elf watches children by day and reports to Santa each night. When children awake, the elf has returned from the North Pole and can be found hiding in a different location. This activity allows The Elf on the Shelf to become a delightful hide-and-seek game.

The Elf on the Shelf Chandra A. Bell, Carol V. Aebersold, 2013-05-15 In Santa's Christmas village at the North Pole, the elves celebrate special days all year round. Apart from Christmas, though, nothing is more exciting to a scout elf than a birthday--and elves celebrate birthdays with a tradition that goes back thousands of years. Now, at the request of children from around the world, Santa has given his scout elves special permission to share that birthday tradition with the families they love. An elf cannot come to a celebration, though, unless it is invited.

Pig the Elf Aaron Blabey, 2017-10-05 Santa was coming! 'Twas bigger than big! But no-one was feeling more festive than PIG! No one loves Christmas more than Pig. Pottymouth and Stoopid James Patterson, 2017-06-12 David and his best friend Michael were tagged with awful nicknames way back in preschool when everyone did silly things. Fast-forward to seventh grade: 'Pottymouth' and 'Stoopid' are still stuck with the names - and everyone in school, including the teachers and their principal, believe the labels are true. So how do they go about changing everyone's minds? By turning their misery into megastardom on TV, of course! And this important story delivers more than just laughs - it shows that the worst bullying doesn't have to be physical, and that things will get better.

The Story of the Kindness Elves Anna Ranson, Benjamin Byrne, 2016

Memoirs of an Elf Devin Scillian, 2014-09-01 It's Christmas Eve and Spark Elf has the very important job of keeping Santa Claus on schedule as he travels the globe in 24 hours delivering presents. Small in stature with pointy ears and

stopwatch in hand, Spark lets Santa know it's time to go. He programs the GPS while the other elves secure the toy bag and check the Nice list. Little known fact: We don't even bring the Naughty list with us. Six hours into the trip Santa, sleigh and crew begin to fall behind--so many cuddly doggies to pet and extra cookies to eat. The jolly group makes up time in Brazil and soon find themselves back at the North Pole. Their work is done. But wait, there's something left in the bag--but it isn't a present at all--it's a family dog! Well known fact: Santa gives things away. He does not take things! Momma Claus comes to the rescue with a plan to get the dog back to his family. Can Santa return the family's beloved pooch in time to keep their Christmas merry?

Fair Play Eve Rodsky, 2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. English Grammar For Dummies Geraldine Woods, 2011-03-16 A few years ago, a magazine sponsored a contest for the comment most likely to end a conversation. The winning entry? I teach English grammar. Just throw that line out at a party; everyone around you will clam up or start saying whom. Why does grammar make everyone so nervous? Probably because English teachers, for decades - no, for centuries - have been making a big deal out of grammar in classrooms, diagramming sentences and drilling the parts of speech, clauses, and verbals into students until they beg for mercy. Happily, you don't have to learn all those technical terms of English grammar - and you certainly don't have to diagram sentences - in order to speak and write correct English. So rest assured - *English Grammar For Dummies* will probably never make your English teacher's top-ten list of must-read books, because you won't have to diagram a single sentence. What you will discover are fun and easy strategies that can help you when you're faced with such grammatical dilemmas as the choice between I and me, had gone and went, and who and whom. With *English Grammar For Dummies*, you won't have to memorize a long list of meaningless rules (well, maybe a couple in the punctuation chapter!), because when you understand the reason for a particular word choice, you'll pick the correct word automatically. *English Grammar For Dummies* covers many other topics as well, such as the following: Verbs, adjectives, and adverbs - oh my! Preposition propositions and pronoun pronouncements Punctuation: The lowdown on periods, commas, colons, and all those other squiggly marks Possession: It's nine-tenths of grammatical law Avoiding those double negative vibes How to spice up really boring sentences (like this one) Top Ten lists on improving your proofreading skills and ways to learn better grammar Just think how improving your speaking and writing skills will help you in everyday situations, such as writing a paper for school, giving a presentation to your company's big wigs, or communicating effectively with your family. You will not only gain the confidence in knowing you're speaking or writing well, but you'll also make a good impression on those around you!

A Rare Treat Serenity Woods, 2014-12-29 *Treats to Tempt You*, Book 3. A poignant yet sexy romance about learning to live and love again after grief. Elle Baker's had enough of men telling her how to live her life. She loves her job at *Treats to Tempt You*, a chocolate, coffee, and ice cream shop in Doubtless Bay, New Zealand. But repeated issues with her overbearing father and arrogant ex have persuaded her it's time for a fresh start, and she's planning to move away to Wellington at the end of the month. When Stuart Casey's childhood sweetheart lay dying, she made him swear to her that he'd never love another girl as long as he lived. So far, he's kept his promise, even though he knows it was unfair of her to make such a demand. He's only twenty-eight, and their marriage was hardly physical at the best of times. But how do you get back in the saddle when you've never even been on a horse? Stuart craves the happiness and affection he sees in his friends' relationships, but he's beginning to think he's destined to be single and lonely. Then Elle makes him a surprise proposal. A long weekend away in a beach house with her-and she's not expecting him to sleep on the couch. She says she wants to help him find his feet before he launches back into the world of dating. Desire fights with guilt, and desire wins. Elle's offer isn't completely altruistic-she fancies Stuart rotten, and is more than happy to spend a few days showing the gorgeous English teacher a few tricks of the trade to help him move on. But once she's let the tiger out of his cage, it proves impossible to get him back in. And the new and improved Stuart isn't going to let her go without a fight. Warning: a virgin hero learns a few tricks of the trade in this sexy romance. Also packs an emotional punch. Keep the tissues handy. Adults only.
