Celebrating a Life Faith Moore,2011-12-01 A guide of alternatives to traditional funerals, commemorating lost loved ones in a meaningful, personal way. Today, many people are forgoing the trappings and timeworn rituals of typical funerals, and are instead opting to celebrate their loved ones' lives. With careful planning, services like these can truly honor the person who has died—and both comfort and uplift those who attend. Celebrating a Life offers sensitive guidance on every detail—venue, food and drink, music, flowers, eulogy, program, mementoes—all with the aim of making sure the memorial

service's honoree is remembered just as he or she would have wished. Checklists and an extensive resource directory provide much-needed help to those who have very little time to make arrangements. As author Faith Moore says, this book is not about regrets, but about reimagining how we say good-bye. "In a caring, practical, and authoritative way, Faith Moore tackles a very difficult topic. Her direct and warm advice is a fabulous resource. This book is a must-read for anyone who will face the inevitability of honoring and celebrating the life of a deceased love one." —Peggy Post, director of the Emily Post Institute and author of *Emily Post's Etiquette*, 17th Edition

Not a Box Board Book Antoinette Portis, 2011-09-27 A box is just a box . . . unless it's not a box. From mountain to rocket ship, a small rabbit shows that a box will go as far as the imagination allows. Inspired by a memory of sitting in a box on her driveway with her sister, Antoinette Portis captures the thrill when pretend feels so real that it actually becomes real—when the imagination takes over and inside a cardboard box, a child is transported to a world where anything is possible.

In Loving Memory Sally Emerson, 2004 It's an impossibly difficult and painful time; someone you love has just died and you have very quickly to choose an appropriate and moving reading for the funeral. In an increasingly secular age, people often look for a poem or piece of prose which will celebrate the life of the person who has just died, and, as well as inspiring religious poems, Sally Emerson's anthology includes secular words of comfort, celebration and mourning. This is also an anthology in its own right, and offers insight into universal emotions. These pieces will help to express grief and anger, but also help to understand grieving, and the gradual repair of life after losing a loved one.

Off the Charts Georgie Carroll, 2021-04-27 Showering in gumboots. Bomb threats. Tables of turds. Welcome to the life of a nurse. Nurses are our number one unsung heroes. They're the ones in the trenches mopping up bodily fluids, holding hands, keeping things ticking, and always with a smile on their face. In *Off the Charts*, Australia's favourite straight-talking nurse and comedian Georgie Carroll lets you peek behind the curtains to see the inner workings of a hospital. Taking us ward to ward, limb to limb, stitch to stitch, Georgie does not hold back as she shows us the human fragility and fierceness she sees every day at work. This is a laugh-out-loud funny celebration of the big-hearted, no-b*llshit nurses who, sooner or later, play a huge role in all of our lives.

Street Cat Bob James Bowen, 2015-02-05 When James Bowen found an injured, street cat in the hallway of his sheltered housing, he had no idea just how much his life was about to change. James had been living on the streets of London and the last thing he needed was a pet. Yet James couldn't resist the clever tom cat, whom he quickly named Bob. Soon the two were best friends, and their funny and sometimes dangerous adventures would change both their lives, slowly healing the scars of each other's troubled pasts. *STREET CAT BOB* is a moving and uplifting story that will touch the heart of anyone who reads it.
