The Elements of User Interface Design Theo Mandel,1997-02-21 . . . a book that should be forced on every developer working today. If only half the rules in this book were followed, the quality of most programs would increase tenfold. -Kevin Bachus, praising Theo Mandel's *The GUI-OOUI War* A total guide to mastering the art and science of user interface design For most computer users, the user interface is the software, and in today's ultracompetitive software markets, developers

can't afford to provide users and clients with anything less than optimal software ease, usability, and appeal. The Elements of User Interface Design is written by a cognitive psychologist and interface design specialist with more than a decade's research and design experience. Writing for novices and veteran developers and designers alike, Dr. Mandel takes you from command-line interfaces and graphical-user interfaces (GUIs) to object-oriented user interfaces (OOUIs) and cutting-edge interface technologies and techniques. Throughout, coverage is liberally supplemented with screen shots, real-life case studies, and vignettes that bring interface design principles to life. Destined to become the bible for a new generation of designers and developers, The Elements of User Interface Design Arms you with a tested-in-the-trenches, four-phase, iterative design process * Analyzes well-known interfaces, including Windows 95, Windows NT, OS/2 Warp, Microsoft Bob, Visual Basic, Macintosh, and the World Wide Web * Schools you in object-oriented interface (OOUI) design principles and techniques * Offers practical coverage of interface agents, wizards, voice interaction, social user interfaces, Web design, and other new and emerging technologies

Getting To Know The General Graham Greene,2010-10-02 'In August 1981 my bag was packed for my fifth visit to Panama when the news came to me over the telephone of the death of General Omar Torrijos Herrera, my friend and host. . . At that moment the idea came to me to write a short personal memoir. . . of a man I had grown to love over those five years' GETTING TO KNOW THE GENERAL is Graham Greene's account of a five-year personal involvement with Omar Torrijos, ruler of Panama from 1968-81 and Sergeant Chuchu, one of the few men in the National Guard whom the General trusted completely. It is a fascinating tribute to an inspirational politician in the vital period of his country's history, and to an unusual and enduring friendship.

Ask a Manager Alison Green,2018-05-01 'I'm a HUGE fan of Alison Green's Ask a Manager column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

The Freelance Manifesto Joey Korenman, 2017-05-31 Designing beautiful boards and making smooth animation come naturally to us Motion Designers. It's what we're good at. However, designing the career we want, with the freedom, flexibility, and pay we crave, that's more difficult. All of the above is within your grasp if you're willing to take the plunge into freelancing. School of Motion founder Joey Korenman worked in every kind of Motion Design role before discovering that freelancing offered him not only more autonomy but also higher pay, less stress, and more creativity. Since then, he's taught hundreds of School of Motion students his playbook for becoming a six-figure freelancer. Now he shares his experience and advice on breaking out of the nine-to-five mold in this comprehensive and tactical handbook. The Freelance Manifesto offers a field guide for Motion Design professionals looking to make the leap to freelance in two clear and concise parts. The first examines the goals, benefits, myths, and realities of the freelance lifestyle, while the second provides future freelancers with a five-step guide to launching and maintaining a solo business, including making contact, selling yourself, closing the deal, being indispensable, and becoming a lucrative enterprise. If you're feeling stifled by long hours, low-paying gigs, and an unfulfilling career, make the choice to redesign yourself as a freelancer-and, with the help of this book and some hard work, reclaim your time, independence, and inspiration for yourself.

The 1% Windfall Rafi Mohammed, 2010-03-16 Leading pricing expert Rafi Mohammed shows businesses how to reap a financial windfall and foster growth using the underutilized and often overlooked strategy of setting prices. The 1% Windfall reveals how modest incremental changes to an everyday business practice—pricing—can yield significant rewards. Illustrating the power of pricing, a study of the Global 1200 found that if companies raised prices by just 1%, their average operating profits would increase by 11%. Using a 1% increase in price, some companies would see even more growth in percentage of profit: Sears, 155%; McKesson, 100%; Tyson, 81%; Land O'Lakes, 58%; and Whirlpool, 35%. The good news is that better pricing is more than simply raising prices. Instead, the key is to offer customers a variety of pricing options. This strategy is win-win: profits to companies and choices for consumers. But how do executives and managers set the right price? Underpinned by sound empirical research and real-life anecdotes, *The 1% Windfall* addresses this fundamental question. This book offers guidelines that any company—whether a multinational conglomerate, a small business, or even a nonprofit—can follow to create a comprehensive pricing strategy for any product or service. In addition, these versatile techniques and tools provide solutions to avert a slump in a recession, offset the impact of inflation, or battle a new competitor. The result is a mind-opening, clear blueprint for companies to price for profit and growth.

The Robotic Process Automation Handbook Tom Taulli, 2020-02-28 While Robotic Process Automation (RPA) has been around for about 20 years, it has hit an inflection point because of the convergence of cloud computing, big data and AI. This book shows you how to leverage RPA effectively in your company to automate repetitive and rules-based processes, such as scheduling, inputting/transferring data, cut and paste, filling out forms, and search. Using practical aspects of implementing the technology (based on case studies and industry best practices), you'll see how companies have been able to realize substantial ROI (Return On Investment) with their implementations, such as by lessening the need for hiring or outsourcing. By understanding the core concepts of RPA, you'll also see that the technology significantly increases compliance - leading to fewer issues with regulations - and minimizes costly errors. RPA software revenues have recently soared by over 60 percent, which is the fastest ramp in the tech industry, and they are expected to exceed \$1 billion by the end of 2019. It is generally seamless with legacy IT environments, making it easier for companies to pursue a strategy of digital transformation and can even be a gateway to AI. *The Robotic Process Automation Handbook* puts everything you need to know into one place to be a part of this wave. What You'll Learn Develop the right strategy and plan Deal with resistance and fears from employees Take an in-depth look at the leading RPA systems, including where they are most effective, the risks and the costs Evaluate an RPA system Who This Book Is For IT specialists and managers at mid-to-large companies

The Organised Writer Antony Johnston, 2020-10-01 *The Organised Writer* is a practical, no-nonsense system that allows you as an author to write without worrying about administration, business affairs, or scheduling, because you know those non-writing tasks will be dealt with at the right time. This straight-talking guide will help you become more productive, cope

with multiple projects, and make time within your life to write - while also dealing with non-writing tasks more efficiently. It includes advice on how to: · Manage your schedule · Prioritise your writing time · Take notes effectively · Work with a 'clean mind' · Get more written every day · Deal effectively with non-writing tasks · Set up a foolproof filing system · Organise your working space Read the book, then spend a weekend setting up the system described, and you'll make the time back with interest. You'll get more written every day and complete more of your non-writing tasks without being overwhelmed by all the things you have to do, forgot to do, or don't want to do.

The New Yale Book of Quotations Fred R. Shapiro, 2021-08-31 A revised, enlarged, and updated edition of this authoritative and entertaining reference book —named the #2 essential home library reference book by the Wall Street Journal “Shapiro does original research, earning [this] volume a place on the quotation shelf next to Bartlett's and Oxford's.”—William Safire, New York Times Magazine (on the original edition) “A quotations book with footnotes that are as fascinating to read as the quotes themselves.”—Arthur Spiegelman, Washington Post Book World (on the original edition) Updated to include more than a thousand new quotations, this reader-friendly volume contains over twelve thousand famous quotations, arranged alphabetically by author and sourced from literature, history, popular culture, sports, digital culture, science, politics, law, the social sciences, and all other aspects of human activity. Contemporaries added to this edition include Beyoncé, Sandra Cisneros, James Comey, Drake, Louise Glück, LeBron James, Brett Kavanaugh, Lady Gaga, Lin-Manuel Miranda, Barack Obama, John Oliver, Nancy Pelosi, Vladimir Putin, Bernie Sanders, Donald Trump, and David Foster Wallace. The volume also reflects path-breaking recent research resulting in the updating of quotations from the first edition with more accurate wording or attribution. It has also incorporated noncontemporary quotations that have become relevant to the present day. In addition, *The New Yale Book of Quotations* reveals the striking fact that women originated many familiar quotations, yet their roles have been forgotten and their verbal inventions have often been credited to prominent men instead. This book’s quotations, annotations, extensive cross-references, and large keyword index will satisfy both the reader who seeks specific information and the curious browser who appreciates an amble through entertaining pages.
