Minecraft: The End Catherynne M. Valente, 2019-12-05 _____ The brand-new official Minecraft novel is an epic battle for survival! When humans enter the End, a pair of endermen must decide which side they're really on. For as long as they can remember, the twin endermen Fin and Mo have lived in the mysterious land of the End. On the outskirts of the great enderman city of Telos, they explore ancient ruins under the watchful gaze of the mighty ender dragon. They have everything they need in the end ship they call home, and know everything there is to know about their world—or so they think until the strangers from another dimension arrive. The invaders are called humans, and they've come to steal artifacts and slay the ender dragon. Fin and Mo are ready to protect their home from the trespassers, but when they come face-to-face with the humans, they discover that they aren't as prepared for battle as they'd thought. Caught off guard, the twins are trapped in the middle of a war between the endermen and the humans, with the future of their home at stake.

The top priority is finding food. The next is not becoming food. Because there are others out there on the island . . . like the horde of zombies that appears after nightfall. Crafting a way out of this mess is a challenge like no other. Who could build a home while running from exploding creepers, armed skeletons, and an unstoppable tide of hot lava? Especially with no help except for a few makeshift tools and sage advice from an unlikely friend: a cow. In this world, the rules don’t always make sense, but courage and creativity go a long way. Minecraft: Mob Squad Delilah S. Dawson,2022-10-04 Come with the Mob Squad on an amazing adventure through the Overworld in this official Minecraft novel! The village of Cornucopia is practically perfect in every way. Plenty of food, cozy homes, and a huge wall to keep everyone safe from the scary world outside. What more could a kid possibly need? Well, a lot, actually. Mal, a fearless girl, needs adventure, and her friends are right there with her: Lenna, a dreamer whose family underestimates her every day. Tok and Chug, brothers who love to build stuff (Tok) and smash stuff (Chug). They’re best friends, and in a town whose grown-ups value safety over bravery and fitting in over standing out, they’re the bad apples. But when a mysterious mob sneaks past Cornucopia’s defenses, the village is in huge trouble. And nobody knows what to do. Finally faced with the adventure she’s always wanted, Mal and her friends defy the rules their elders have always followed and set out beyond the wall for the first time. On their journey across the Overworld, they discover wonders they’ve never

dreamed of and dangers they've never imagined. To save the day, they'll have to prove they're more than bad apples. They're the Mob Squad!

Bang! Sharon Flake, 2007-07-31 Bang! Guns really sound like that, you know. Bang! And people bleed from everywhere, and blood is redder than you think. And little kids look funny in caskets. That's 'cause they ain't meant to be in one, I guess. Mann is only thirteen, yet he has already had to deal with more than most go through in a lifetime. His family is still reeling from the tragic shooting death of his little brother, Jason, each person coping with grief in his or her own way. Mann's mother has stopped eating and is obsessed with preserving Jason's memory, while his father is certain that presenting a hard edge is the only way to keep his remaining son from becoming a statistic. Mann used to paint and ride horseback, but now he's doing everything he can to escape his emotions: getting involved in fights at school, joyriding at midnight, and much worse. His father, at his wit's end, does the only thing he thinks will teach his son how to be a man: he abandons him and his friend Kee-Lee in the woods, leaving them to navigate their way home, alone. Now Mann, struggling to find his way back to civilization, must also reconcile himself to the realities of a world that has stolen his little brother, and that isn't even sure it still wants Mann in it. One wrong turn and it could all be over for him, too. Bang.
