Durable soft cover, matte finish for lovely look and pleasing touch All educators will love this special book. Its numbered pages and a fill-in table contents make finding notes a breeze. Great gift for teachers, tutors, coaches, pedagogues, instructors, etc.

I Touched a Cat and I Liked it Anna Blandford, 2019-02-05 This quirky book explores our often fraught relationships with cats. Anna Blandford's easy humor points out cat behaviour at its best, and worst, and why humans still find cats irresistible. Because let's be honest, we're obsessed: if a cat lover is presented with a choice of products and one of them has a cat on it, hands down that will be the one selected. And as Anna asks, 'If it doesn't have a cat on it, is it even worth owning?' Cat lovers worldwide will relate to Anna's whimsical drawings and hilarious insights.

Laughing Stock Bennett Cerf, 2017-02-05 Excerpt from *Laughing Stock: Over Six-Hundred Jokes and Anecdotes of Uncertain Vintage* I've had a weakness for funny Stories ever since I was a kid in the Pulitzer School of Journalism, so this is my lucky day. I fell into the editorship of the *Columbia Jester* in my Sophomore year because the previous pilot had been kicked out for editorial in discretions. (he won a Pulitzer Prize some years later.) I ran afoul of the authorities in my very first issue. A fullpage frontis piece showed an English lord at a ringside table of a night club. A couple on the floor was doing the Shimmy - a sexy dance craze of the moment. The caption had somebody asking the lord what he thought of the exhibition. All I can sye, replied the lord, is that I 'opes 'e marries the gal. President Nicholas Mur ray Butler took time Out from busy life to explain to me (1) that English lords rarely spoke with cockney accents, and (2) that if succeeding issues of *Jester* contained any more questionable sto ries, I'd be out on my ear even faster than my predecessor. This was a pretty sobering experience, and I drifted into the more serious side of the publishing business for many years - nu til 1942, to be precise, when the obvious need for material to make people laugh induced me to make a collection that ulti mately appeared as the Pocket book OF war humor. That was followed by the Pocket book OF cartoons, try and stop me, and now laughing stock. AS Wolcott Gibbs once wrote about Harry Luce, Where it all will end, knows God. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections

successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Getting Ready for the 4th Grade Assessment Tests Erika Warecki,2002 Getting Ready for the 4th Grade Assessment Test: Help Improve Your Child's Math and English Skills - Many parents are expressing a demand for books that will help their children succeed and excel on the fourth grade assessment tests in math and English –especially in areas where children have limited access to computers. This book will help students practice basic math concepts, i.e., number sense and applications as well as more difficult math, such as patterns, functions, and algebra. English skills will include practice in reading comprehension, writing, and vocabulary. Rubrics are included for self-evaluation.

Story Retell Fun Deck Dale Ducworth,2006-01-01

The Thing Around Your Neck Chimamanda Ngozi Adichie,2009-03-13 From the Orange Prize-winning author of 'Half of a Yellow Sun' come twelve dazzling stories that turn a penetrating eye on the ties that bind men and women, parents and children, Nigeria and the West.

The Industrial Vagina Sheila Jeffreys,2008-11-19 The industrialization of prostitution and the sex trade has created a multibillion-dollar global market, involving millions of women, that makes a substantial contribution to national and global economies. The Industrial Vagina examines how prostitution and other aspects of the sex industry have moved from being small-scale, clandestine, and socially despised practices to become very profitable legitimate market sectors that are being legalised and decriminalised by governments. Sheila Jeffreys demonstrates how prostitution has been globalized through an examination of: the growth of pornography and its new global reach the boom in adult shops, strip clubs and escort agencies military prostitution and sexual violence in war marriage and the mail order bride industry the rise in sex tourism and trafficking in women. She argues that through these practices women's subordination has been outsourced and that states that legalise this industry are acting as pimps, enabling male buyers in countries in which women's equality threatens male dominance, to buy access to the bodies of women from poor countries who are paid for their sexual subservience. This major and provocative contribution is essential reading for all with an interest in feminist, gender and critical globalisation issues as well as students and scholars of international political economy.

Real-Life Homeschooling Rhonda Barfield,2002-04 Recounts the experiences of twenty-one families who homeschooled their children, exploring the various teaching strategies that were used and discussing why some worked and others didn't.

How to Babysit a Grandad Jean Reagan,2014-06-05 The perfect story to make the distance between you and grandad feel a little smaller whilst you're stuck at home . . . A New York Times bestselling title, illustrated by the winner of the Red House

Children's Book Award 2013. When your grandad rings the doorbell, it's babysitting time! This is a hilarious and accessible picture book about a child spending time with his grandad. Written in a how-to style, the narrator gives important tips for 'babysitting' a grandad, including what to eat for snack (anything dipped in ketchup, ice cream topped with cookies, cookies topped with ice cream), what to do on a walk (find lizards and dandelion puffs, be on the lookout for puddles and sprinklers), and how to play with a grandad (build a pirate cave, put on a scary play). A cunning study in role reversal, with Lee Wildish's over-the-top illustrations well in keeping with a jaunty text. - Independent on Sunday

That's My Daddy! Ann Hodgman,2013 Daddies can do lots of things! They can reach way up high, they can find anything that is lost; but best of all daddies love you just the way you are! The soft padded covers, rounded corners and sturdy board pages make this title a perfect fit for preschoolers!

Bee Fearless: Dream Like a Kid Mikaila Ulmer,2020-08-18 A business memoir from fifteen year-old lemonade entrepreneur and one of TIME Magazine's Top 30 Most Influential Teens, Mikaila Ulmer, and her advice for life and business. When Mikaila Ulmer was four, she was stung by a bee--twice in one week. She was terrified of going outside, so her parents encouraged her to learn more about bees so she wouldn't be afraid. It worked. Mikaila didn't just learn what an important role bees play in our ecosystem, but she also learned bees are endangered, and set out to save them. She started by selling cups of lemonade in front of her house and donating the small proceeds to organizations dedicated to bee conservation. When she realized the more lemonade she sold, the more bees she could help, Me & the Bees Lemonade was born. Now she sells her lemonade across the country. From meetings with Fortune 500 CEOs, to securing a deal on Shark Tank, to even visiting the Obama White House, Mikaila's lemonade and passion for bee conservation have taken her far. In Bee Fearless, part memoir, part business guide, Mikaila--now fifteen--shares her personal journey and special brand of mindful entrepreneurship and offers helpful tips and guidance for young readers interested in pursuing their own ventures, instilling in them the bee-lief that they can bee fearless and achieve their dreams too.

The Christmas Table Gooseberry Patch,2012-06-05 Make your holidays extra special with our abundant collection of delicious seasonal recipes, creative tips and sweet memories.

The Treasure Box Margaret Wild,2013-03-25 From two of our most talented picture-book creators comes this celebration of things that can't be destroyed by bombs or fire. A haunting and beautiful tale of the power of words, the importance of stories and the resilience of the human spirit. As war rages, Peter and his father flee their home, taking with them a treasure box that holds something more precious than jewels. They journey through mud and rain and long cold nights, and soon their survival becomes more important than any possessions they carry. But as the years go by, Peter never forgets the treasure box, and one day he returns to find it...
