The Bus Trip Jamy Bechler,2019-11-28 It was not quite the season that the Eagles had envisioned. With another road trip looming, morale was low and motivation was non-existent. The season was essentially over as the players were just going through the motions, counting down the days until the last game was finally completed. Little did they know when they woke up that day that instead of being another step closer to the end, this particular trip would mark the beginning of something special. They would encounter situations and have conversations that would start to change the way they looked at themselves and the team. In learning how to be better teammates and more positive leaders, their seemingly finished season was now only beginning.

Fourth and Long John U. Bacon,2013-09-03 From New York Times bestselling author and Michigan football expert John Back, an analysis of the state of college football: Why we love the game, what is at risk, and the fight to save it. In search of the sport's old ideals amid the roaring flood of hypocrisy and greed, bestselling author John U. Bacon embedded himself in four college football programs—Penn State, Ohio State, Michigan, and Northwestern—and captured the oldest, biggest, most storied league, the Big Ten, at its tipping point. He sat in as coaches dissected game film, he ate dinner at training tables, and he listened in locker rooms. He talked with tailgating fans and college presidents, and he spent months in the company of the gifted young athletes who play the game. *Fourth and Long* reveals intimate scenes behind closed doors, from a team's angry face-off with their athletic director to a defensive lineman acing his master's exams in theoretical math. It captures the private moment when coach Urban Meyer earned the devotion of Ohio State's Buckeyes on their way to a perfect season. It shows Michigan's athletic department endangering the very traditions that distinguish the college game from all others. And it re-creates the euphoria of the Northwestern Wildcats winning their first bowl game in decades. Most unforgettably, *Fourth and Long* finds what the national media missed in the ugly aftermath of Penn State's tragic scandal: the unheralded story of

players who joined forces with Coach Bill O'Brien to save the university's treasured program—and with it, a piece of the game's soul. This is the work of a writer in love with an old game—a game he sees at the precipice. Bacon's deep knowledge of sports history and his sensitivity to the tribal subcultures of the college game power this elegy to a beloved and endangered American institution.

Uncle John's Bathroom Reader Takes a Swing at Baseball Bathroom Readers' Institute,2012-07-15 Strange-but-true stories, colorful characters, and big-league bizarreness for fans of America's pastime! Why is baseball such a great subject for a Bathroom Reader? Because it's steeped in history and tradition, it's rife with scandals and controversy, and most of the men that dedicate their life to it are just a little bit . . . weird. Uncle John's spirited take on the game takes you deep into that history to paint a detailed picture of where the game came from and where it may be going. You'll go behind the scenes at spring training, listen in on pitcher's mound conferences, and meet the players, coaches, fans, and broadcasters who make this the greatest game in the world! Swing for the fences as you read about . . . * Minor league mishaps * The violent history of umpiring * The true story of Lou Gehrig's heroic rise and tragic fall * The man who pitched a no-hitter while tripping on

LSD * The origins of gloves, baseballs, bats, uniforms, helmets, and more * Baseball's most famous call and how it was saved for posterity * The best and worst teams of all time * Animals in the outfield * The birth of Little League * The Abner Doubleday myth * and much, much more!

The Amazing Beef Squad: Never Say Die! Jason Ross, 2022-03-22 Juvenile delinquency has never been so fun!" —Jon Stewart, comedian, filmmaker, television host Meet the Beef Squad: a group of unforgettable kids who are serious about pranks but also about doing whatever it takes to help the people and places they care about. Nick Rhodes and his friends Pratchett, Hogue, and Jared—together known as Beef Squad—have got seventh grade totally hacked. They make perfect grades by day, pull spectacular pranks by night, play video games in between, and do it all with a zany sense of humor only they find funny. (Because someone has to celebrate National Asparagus Appreciation Day.) But seventh grade is about to strike back! Trouble at school and a secret from their town's Gold Rush past put Beef Squad on a collision course with Leonardville's most powerful forces. Now, with the help of robotics teammate Karla Woo, they decide to reveal what's going on, no matter the consequences. This laugh-out-loud story about a group of truly amazing and strongminded kids is one middle-grade readers will cheer for.

Basketball Beyond Borders: the Globalization of the NBA Chris Milholen, 2019-12-02 Basketball Beyond Borders: The Globalization of the NBA provides an in-depth look into the history of how the NBA, through trailblazing international stars, significant teams, and monumental events, became one of the world's most globalized sports leagues in the world. Chris Milholen begins the book with Dr. James Naismith, a Canadian-American physical education instructor, inventing the game of basketball in 1891 in Springfield, Massachusetts and concluding with Giannis Antetokounmpo, the Greek Freak, being crowned the 2018-19 NBA's Most Valuable Player. The book includes quotes from former/current NBA and

international basketball players and sports media television personalities and journalists.

The Transformational Coach Greg Winkler,2020-10-05 If you truly want to make a difference in the lives of others, this is a must-read. Greg Winkler's message to help us combat our youth sport participation crisis and our parent crisis is spot on. –Geoff VanDeusen, Director of Operations & Events, United Soccer Coaches Greg Winkler's book is a great roadmap for coaches striving to be influential. His Transformational Coaching method will shift your entire paradigm regarding coaching. It will drive you to become a more mindful coach, thereby creating stronger players, teams, and families. –Teresa Palmer, Kagen School Trainer, Girls on the Run Coach, and Life Skills teacher at FSW Collegiate High School American youth athletes are abandoning athletics at an alarming rate, with 70% of children dropping out of youth sport programs by the age of 14. One of the top reasons for this dropout rate is poor coaching, yet, only 30% of youth and high school coaches have any formal training. The Transformational Coach gives coaches the tools to build relationships, move their teams forward, and improve the development of their players as they progress to the next level. This book teaches them how to guide with a purpose. With better coaching, the youth participation crisis in the United States can be addressed, and the negative parent perception can be fixed. This book will develop strong coaches who will lead the way. The coaching profession has seen 58% of coaches quit or consider quitting because of parent issues; 82% of coaches report that dealing with parents has gotten worse; 25% of new coaches leave the profession within the first three years. But the transformational coach can use mindfulness strategies to change the alarming trend in youth athletics for the better. The Transformational Coach is about shifting the mindset of coaches—and even players and parents—to build stronger players, a stronger team, and a stronger program!
