Rewards for Kids! Virginia Marie Shiller, Meg F. Schneider, 2003 Finding a way to encourage preschoolers and elementary school children to behave well without resorting to scolding, threats, or bribery is a parent's number one challenge. In Rewards for Kids! psychologist and child-development expert Dr. Virginia M. Shiller explains why it works to catch them doing something good. Reward, not bribery, is the key. Dr. Shiller shows parents how to use a variety of child-

friendly sticker charts and other tools to help children improve their behavior. This proven positive-parenting technique has been used to help kids overcome such common behavior problems as bedtime procrastination, doing chores, getting along with siblings or friends, getting ready for school and other events on time, and completing homework without fuss. In clear, easy steps, parents will learn creative ways to change their children's problem behavior using an individualized plan that will help children feel good about their new accomplishments. Along the way, Dr. Shiller communicates a great depth of understanding about the needs of children and the many ways of engaging them. The numerous pull-out charts, awards, and certificates are designed to appeal to boys and girls of different ages, ensure plenty of variety, and can be personalized by coloring and decorating them with photos and stickers. This book can make disciplining kids effectively both constructive and fun.

Way to Go! duopress labs,2021-04-13 The good-old sticker rewards chart meets the social media era in this sticker rewards book for toddlers. Divided into three sections with over 500 stickers, the book offers something for every busy toddler and their parents and teachers. The large-size stickers in the I Did It Myself section are perfect for being displayed on kids' shirts or chests and then photographed and shared on social media, with messages like I brushed my teeth, I fed my pet, and many more. Smaller-size stickers in the Awesome Achievements section celebrate general kid accomplishments with words of encouragement, such as Excellent Work! and Way to Go!, as well as popular icons like smiling faces, emoticons, stars, etc. This section also includes popular stickers with encouraging phrases in an array of languages, from Spanish and Chinese to Italian and Korean. These stickers are designed to be used by kids and their educators on anything from worksheets and notebooks to tricycles and scooters. And of course we all love a sticker chart, so the last section of the book includes a collection of stickers specially designed for a removable Fold-Out Chart (included) that can be displayed in a child's room, the family room, the kitchen, etc.

Using Video Games to Level Up Collaboration for Students Matthew Harrison,2022-07-13 Using Video Games to Level Up Collaboration for Students provides a research-informed, systematic approach for using cooperative multiplayer video games as tools for teaching collaborative social skills and building social connections. Video games have become an ingrained part of our culture, and many teachers, school leaders and allied health professionals are exploring ways to harness digital games-based learning in their schools and settings. At the same time, collaborative skills and social inclusion have never been more important for our children and young adults. Taking a practical approach to supporting a range of learners, this book provides a three-stage system that guides professionals with all levels of gaming experience through skill instruction, supported play and guided reflection. A range of scaffolds and resources support the implementation of this program in primary and secondary classrooms and private clinics. Complementing this intervention design are a set of principles of game design that assist in the selection of games for use with this program, which assists with the selection of existing games or the design of future games for use with this program. Whether you are a novice or an experienced gamer, Level Up Collaboration provides educators with an innovative approach to ensuring that children and young adults can develop the collaborative social skills essential for thriving in their communities. By using an area of interest and strength for

many individuals experiencing challenges with developing friendships and collaborative social skills, this intervention program will help your school or setting to level up social outcomes for all participants.
