Rapunzel's Revenge Shannon Hale, Dean Hale, 2011-11-04 Rapunzel escapes her tower-prison all on her own, only to discover a world beyond what she'd ever known before. Determined to rescue her real mother and to seek revenge on her kidnapper would-be mother, Rapunzel and her very long braids team up with Jack (of Beanstalk fame) and together they perform daring deeds and rescues all over the western landscape, eventually winning the justice they so well deserve.

New York Magazine ,1987-11-23 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

New York Magazine ,1979-12-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Cincinnati Magazine ,2001-01 Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

Mein Kampf Adolf Hitler,2024-02-26 Madman, tyrant, animal—history has given Adolf Hitler many names. In *Mein Kampf* (My Struggle), often called the Nazi bible, Hitler describes his life, frustrations, ideals, and dreams. Born to an impoverished couple in a small town in Austria, the young Adolf grew up with the fervent desire to become a painter. The death of his parents and outright rejection from art schools in Vienna forced him into underpaid work as a laborer. During the First World War, Hitler served in the infantry and was decorated for bravery. After the war, he became actively involved with socialist political groups and quickly rose to power, establishing himself as Chairman of the National Socialist German Worker's party. In 1924, Hitler led a coalition of nationalist groups in a bid to overthrow the Bavarian government in Munich. The infamous Munich Beer-hall putsch was unsuccessful, and Hitler was arrested. During the nine months he was in prison, an embittered and frustrated Hitler dictated a personal manifesto to his loyal follower Rudolph Hess. He vented his sentiments against communism and the Jewish people in this document, which was to become *Mein Kampf*, the controversial book that is seen as the blue-print for Hitler's political and military campaign. In *Mein Kampf*, Hitler describes his strategy for rebuilding Germany and conquering Europe. It is a glimpse into the mind of a man who destabilized world peace and pursued the genocide now known as the Holocaust.

The Places Where Community Is Practiced Anna Steigemann,2019-02-25 In this open access publication, the social cohesion of urban neighborhoods and their residents is examined, which is often viewed as vulnerable since increased mobility, individualization, wider socio-economic and demographic changes have fundamentally altered the basis for everyday social interaction in urban neighborhoods. Anna Steigemann gives scholarly attention to the concrete places where neighborly interactions still take place and to how these interactions affect local community building. She illuminates and explores the ordinary everyday interactions and social practices in and around shops and gastronomic facilities on a shopping street in Berlin-Neukölln, revealing how these businesses are important places where community is practiced, but also why they are increasingly threatened by commercial and residential gentrification.

Los Angeles Magazine ,2003-11 Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

New York Magazine ,1989-01-09 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Billboard ,1999-09-25 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Art in the Streets Jeffrey Deitch,2021-03-16 The most comprehensive book to survey the colorful history of graffiti and street art movements internationally. Forty years ago, graffiti in New York evolved from elementary mark-making into an important art form. By the end of the 1980s, it had been documented in books and films that were seen around the world, sparking an international graffiti movement. This original edition, now back in print after several years, considers the rise of New York graffiti and the international scenes it inspired--from Los Angeles to São Paulo to Paris to Tokyo--as well as earlier and parallel movements: the break dancing and rap music of hip-hop; the graffiti used by Chicano gangs to mark their territory; the skateboarding culture that began in Southern California. Expertly researched, beautifully illustrated, and featuring contributions by many of the most significant curators, writers, and artists involved in the graffiti world, this now classic volume is an in-depth examination of this seminal movement.

Popular Mechanics ,2000-01 Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

Cincinnati Magazine ,2003-08 Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

Sophie's World Jostein Gaarder,2010-07-15 The international bestseller about life, the universe and everything. 'A simply wonderful, irresistible book' DAILY TELEGRAPH 'A terrifically entertaining and imaginative story wrapped round its tough, thought-provoking philosophical heart' DAILY MAIL 'Remarkable ... an extraordinary achievement' SUNDAY TIMES When 14-year-old Sophie encounters a mysterious mentor who introduces her to philosophy, mysteries deepen in her own life. Why does she keep getting postcards addressed to another girl? Who is the other girl? And who, for that matter, is Sophie herself? To solve the riddle, she uses her new knowledge of philosophy, but the truth is far stranger than she could have imagined. A phenomenal worldwide bestseller, SOPHIE'S WORLD sets out to draw teenagers into the world of Socrates, Descartes, Spinoza, Hegel and all the great philosophers. A brilliantly original and fascinating story with many twists and turns, it raises

profound questions about the meaning of life and the origin of the universe.

Woody Guthrie, American Radical Will Kaufman, 2011 Although Joe Klein's Woody Guthrie and Ed Cray's Ramblin' Man capture Woody Guthrie's freewheeling personality and his empathy for the poor and downtrodden, Kaufman is the first to portray in detail Guthrie's commitment to political radicalism, especially communism. Drawing on previously unseen letters, song lyrics, essays, and interviews with family and friends, Kaufman traces Guthrie's involvement in the workers' movement and his development of protest songs. He portrays Guthrie as a committed and flawed human immersed in political complexity and harrowing personal struggle. Since most of the stories in Kaufman's appreciative portrait will be familiar to readers interested in Guthrie, it is best for those who know little about the singer to read first his autobiography, *Bound for Glory*, or as a next read after *American Radical*.

Atlanta, 2004-12 Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region. Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city.
