Planning a Wedding Reception at Home Carol Godsmark, 2008 If you're planning to hold your wedding reception at home, in your village hall or even in a local barn there's a lot more to think about than if you go the hotel route. You'll need to source and book the marquee and contact hire companies for tables and chairs, crockery and cutlery, table linen, loos, refrigeration, bar facilities, a generator - and more. The good news is that a wedding reception at home can be much more intimate and personal and you are able to be more flexible in terms of timing. You are also better able to control the cost - and with the average wedding totting up at around GBP17,000 in today's market, that's an important consideration. With this book you'll be able to event manage the day yourself so that all the details are covered and everything runs smoothly with the minimum of stress. Alongside all the more general advice and tips you'll find information on: A* Preparing a budget and getting quotations for the marquee or village hall. A* Choosing the menu, including a selection of sample menus. A* If you're cooking yourself, how to prepare and shop for the chosen menus. A* Buying alcohol, planning the bar and finding staff to man it. A* How to hire equipment and gauge quantities of plates, cutlery, serving dishes, and tablecloths. A* How to find good staff and instruct them on their duties. A* Organising the music and ensuring sufficient electrical power. A* Planning the big tidy up afterwards! AUTHOR BIOG: In her role as professional caterer Carol Godsmark has event managed and catered for many home-based wedding receptions. She is also a journalist, food writer, author, restaurant critic and consultant, and editor of Savour, The Guild of Food Writers' publication. Born in Canada, she discovered food culture when moving to Europe aged 8. She now lives in West Sussex. CONTENTS: Acknowledgements Preface 1. Planning your wedding 2. Planning your budget 3. St. Tropez Soleil Simon Liberati, 2020-03-01 The legend of St. Tropez starts with a dog, a rooster, and a martyr; and it leads to movie stars, world-renowned artists and distinguished writers. Located on the sparkling French Riviera, St. Tropez has enjoyed the spotlight for more than half a century, for better or worse, with celebrities flocking to this idyllic locale for its beaches and a dose of Mediterranean sun. A picturesque oasis, St. Tropez has served as inspiration for a who's who of notable writers from Françoise Sagan to Colette; as well as renowned artists Paul Signac and Henri Matisse; and even filmmakers. However, St. Tropez would not be the same without then belle du jour Brigitte Bardot, her films and lovers and many other famous couples including Annabel and Bernard Buffet and Bianca and Mick Jagger.

The debut book by Danish gypsy brewer Jeppe Jarnit-Bjergso of the bar Tørst, and Canadian chef Daniel Burns of the Michelin-starred restaurant Luksus—both in a shared space in Greenpoint, Brooklyn where they elevate beer to the level of wine in fine dining.
